MIRADA
Brings MORE to the road...
High-End Value. . .
Enviable and Affordable.

Step into the new Coachmen Mirada and step into something special: a Class A motorhome with high-end features at an affordable price!

Coachmen RV, a Division of Forest River Inc., has been dedicated to giving RVers the best value for their RV dollar. Now we’ve focused even more on making it easier to afford the best in motorhome living. We guarantee that you’ll be impressed with what your money can buy. So take a look and see the elegance, the amenities and ease of use that the Mirada brings to the road. We’re leading the way in creating new travel experiences for your pleasure and your pocketbook, making today’s technology work for today’s RVers!
Coach command center makes it simple to use many of the commonly used gauges and switches.

The optional entertainment/computer hutch is conveniently located behind the passenger seat (NA 29DS).

Comfortable dinette and sofa seating feature hidden storage areas.
Whether it’s your vacation home or something more, the Mirada surrounds you with amenities designed to enhance every aspect of your motorhome experience.

Ever seen a kitchen this grand in a coach at this price point? Didn’t think so. The graceful lines and designer hardware accentuate the galley’s more practical features. Like the 30” residential microwave, double-door refrigerator, space-saving flush-mounted range and flush-mounted sink with Corian covers.

Convertable Dinette
Comfortable and relaxing in any setting, the radius booth dinette is easy to take down for sleeping and is plenty spacious for enjoying quality time with family and friends.
Floorplans with bunk beds that provide an added dose of fun via optional drop-down, dual seven-inch LCD TVs with DVD and AM/FM radio. Talk about comfy movie times!

The Mirada’s luxury bath area bring the comforts of your home with you on the road.

For viewing pleasure, all Miradas have a 32” LCD TV in the living room and 19” LCD in the bedroom standard.

GVWR (Gross Vehicle Weight Rating):
The maximum permissible weight of the unit, including the unloaded vehicle weight (UVW) plus all fluids, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR.

GCWR (Gross Combined Weight Rating):
The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment and accessories.

Important Note: All capacities are approximate, and all dimensions are nominal. Coachmen motorhomes are designed to allow a wide variety of uses, extended trips with two people or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities. Consumer may need additional braking capacity to tow loads greater than 1,000 pounds.

Seat belts should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which seat to occupy. However, it is not intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors.

All Coachmen motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Though extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Coachmen reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Coachmen dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
